Sir:

SUBMISSION OF ADDITIONAL COPIES OF DOCUMENTS

Applicants submitted an Information Disclosure Statement (IDS), Form PTO 1449 (PTO Form), and copies of 133 documents on December 14, 1999. As indicated on the enclosed copy of the receipt stamped postcard, the United State Patent and Trademark Office received copies of the 133 documents on December 22, 1999. There are actually 132 documents cited, since there is a duplicated entry on the PTO Form. Examiner Spector indicated in an Office Action that copies of the documents were not provided to her along with the IDS and PTO form and she was not able to find copies in the parent applications. Following Examiner Spector's request, applicants are filing today copies of 58 of the 132 documents with this paper, and the remainder of the 132

documents in U.S. Patent Application Serial No. 08/304,437. Applicants also enclose another copy of the PTO form.

Please grant any extensions of time required to enter this paper and charge any additional required fees to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
